Friends

I can talk about friends and friendship.

Introduction

Tell us what you think is important in a best friend.

JACKO Well, I **hope** to be supported by a best friend when I have a problem and I expect them to **spend time** listening to me. I also don't want to have to **apologise** for being me!

QUEEN I agree. A good friend shouldn't **mind** putting up with the bad side of my personality. They should also be honest and **warn** me against doing things they don't think are good. And they should **advise** me to do things they think are good, even if I **decide** not to do them!

MATE365 Good points. A best friend doesn't **choose** to be your friend only when things are going well. They should always be there when you need them!

1 SPEAKING Work in pairs. Read the forum posts and discuss the opinions. Do you agree with them? Think of two more things that are important in a best friend.

2 Match the highlighted verbs in the forum posts with the verb patterns below.

- 1 verb + *-ing* form
- 2 verb + infinitive
- 3 verb + object + infinitive
- 4 verb + object + preposition + *-ing* form

Jessica What do you mean?

Andy Well, he never asks about what I'm doing. ¹He's always talking about his life and what he's going to do, but he doesn't care about anyone else!

Jessica Yes, I've noticed that ²he never takes an interest in other people. Are you going to do anything about it?

Andy What can I do? ³That's the personality he's got.

Jessica ⁴Next time you see him, tell him that it annoys you. I'll tell him if you want because it irritates me too!

Andy Perhaps I should, because ⁵his attitude is really putting me off him. If he can't change his behaviour, then I don't see how we can stay friends. ⁶Our first lesson tomorrow is English. I'll speak to him then.

Jessica Good idea. If he's really a good friend, he won't get angry.

Andy Well, thanks for your advice. ⁷I'm playing football this evening, and it looks like it's going to rain, so I'd better go home and pick up my waterproofs. See you.

Past perfect simple and past perfect continuous

I can use the past perfect simple and past perfect continuous.

- 1 Read the text. What is a stunt double? Who might have one and why?

When I arrived on set to interview Paul Lacovara one afternoon, he looked exhausted. That was probably to be expected, given that he'd spent the morning jumping off buildings and being beaten up. Paul is a stunt double, the unknown star of films such as *Thor* and *The Avengers*. His career began ten years ago. Since childhood, Paul had always wanted to be either an actor or a fighter pilot. His maths had never been good enough for a career in flying, but he managed to get a job as an extra in the film *We Were Soldiers*. He turned out to be the perfect stunt double for action films – mainly because, in the months before starting work, he had been learning martial arts and training as a bodybuilder. He hadn't been doing the job for very long when he was noticed by the director – and his career took off from there. Within ten years, he had won an award for his stunt work and had received nominations for two more. And amazingly, he still has a 100% accident-free record!

Drones are increasingly being used by the paparazzi to film or photograph people who are in the public eye, often without their knowledge and certainly without their permission. These small, radio-controlled flying cameras can be bought relatively cheaply and can easily be used to invade someone's privacy.

WHAT PROBLEMS DO THEY CAUSE?

The growing number of these aircraft is causing celebrities to run for cover inside their homes, but they are not safe even there, as the cameras can film through windows.

WHAT CAN BE DONE ABOUT THEM?

In the USA, where most drones have been sold, press regulators have been rushing to redraft the country's privacy laws. In fact, paparazzi drones have already been banned in California. But the fear is that the operators of these intrusive devices will be impossible to track down.
